ON THE SEASHORE OF RACHVATE CAPE, PATTAYA, LIES A CONSTRUCTION CALLED

It is not only a replica of an ancient art, but also power of contemporary it has searched for proper things from different cultures, and mixed with traditions of past. Giving rise to the new fine arts. The parts emerging from its foundation are all built of wood, to meet the intention of constructing the real "Wooden Sanctuary from the ground breaking in 1981 . The objective was yo build a wooden strure, in order to preserve and revive Ancient Knowledge. Owing to our history's evidences from the 17h century Thi arists could build a wooden structure of more than one hunderd metres high or equal to twenty -storey modern building. Building "The Sanctuary Of Truth" was not oniy for its loftiness, but also the idea was turned into wooden carvings of gods and goddesses and elaboraly beautiful designs. From various froms of art, no matter What nationality or religion they are, to reflect thoughts and spirits of eastern cultures and announce to the world the complete and long -standing profunddity.
